

Report on National Seminar

“EDUCATION & SUSTAINABLE DEVELOPMENT GOALS”

10th OCTOBER, 2023

Organized by Institute of Vocational Studies (GGSIPU), New Delhi

A National Seminar on the theme “EDUCATION & SUSTAINABLE DEVELOPMENT GOALS” under IQAC was organized by Institute of Vocational Studies (GGSIPU), New Delhi on 10th October, 2023. Main objective of the seminar was to discuss Sustainable Development Goals 2030 in the context of Education.

Inaugural ceremony of the event began with the Lamp lighting, after that welcome address was given by Dr. Mandira Gupta, Principal, IVS. Dr. Gupta explained very well, the 2030 Agenda for Sustainable Development, adopted by all United Nations Member States in 2015. Inaugural address was given by Prof. (Dr.) Ilias Husain, Director, IVS and discussed about the seminar theme and provided valuable thoughts that professional development programmes are important in which academicians, research scholars, students can give their views on latest development taking place in the field of Education.

Esteemed Guest Speaker, Dr. Vijay Kumar, Associate Professor from School of Education, Apeejay Stya University, Gurugram, Haryana presented his views on the “Education and Sustainable Development Goals 2030”. The keywords discussed by keynote speaker were purpose of education, development of values in child, Sustainable Development Innovative Pedagogy Model (SDIPM). The Seminar witnessed participation of Faculty members, Research Scholars, and students from various institutions like Jamia Millia Islamia, University of Delhi, National Council of Educational Research and Training, HCL Foundation and IVS.

Soon after the Inaugural session, the Technical Session began. The session was chaired by Dr. Vijay Kumar, Associate Professor from School of Education, Apeejay Stya University, Gurugram, Haryana, Co-chaired by Prof. (Dr.) Ilias Husain and Dr. Mandira Gupta. Around 35 presenters presented their papers and took part in the discussion. Some papers focused on Higher Education in India and Challenges of Sustainable Development, Education and Sustainable Development: The Current Scenario, Education for Sustainable Development, Sustainable Development Goals and Education: A Synergistic Relationship were presented.

The Session Chair ended the session by discussing various issues and possible solutions on Sustainable Development Goals 2030 and applauded them for their research work on the seminar theme. At the end of the conference, Certificates were distributed to the Paper presenters to appreciate their research work by Prof. (Dr.) Ilias Husain and Dr. Mandira Gupta.

Ms. Aradhana Jha and Ms. Sapna Rani gave vote of thanks to esteemed guest speakers Dr. Vijay Kumar, Prof. (Dr.) Ilias Husain and Dr. Mandira Gupta, faculty members, research scholars, students, and technical team for their valuable contribution to make the seminar a successful event.
