## **{ PAPER CRAFTING AND POT PAINTING WORKSHOP }**

### **7<sup>th</sup> MARCH 2024**

Art and Drama are essential forms of creative expression that enhance cognitive development, emotional intelligence, and fine motor skills in individuals. Through art activities like paper crafting and pot painting, students learn patience, precision, and the joy of creating something unique with their own hands. These traditional art forms not only preserve cultural heritage but also foster innovation and personal growth.

An enriching Art and Drama activity was conducted on 7<sup>th</sup> march, 2024 at Institute of Vocational Studies, featuring paper crafting and pot painting workshop under the guidance of special guest Mr. Priyom Talukdar and IVS Principal Dr. Mandira Gupta. The workshop provided B.Ed students with hands-on experience in various paper manipulation techniques and pot painting methods. Participants learned essential skills such as color theory, brush techniques, and traditional motifs while creating their own artistic pieces. The session successfully combined learning with creativity, allowing students to explore their artistic potential while developing new skills. The enthusiastic participation and positive feedback from students highlighted the workshop's success in achieving its goal of promoting artistic expression and cultural appreciation.
