

SAY NO TO DRUGS

In response to the directive received from the Department of Training and Technical Education, Delhi, and forwarded by the Registrar of Guru Gobind Singh Indraprastha University, posters highlighting important information were displayed at prominent locations within the institution.

As per the communication, posters were placed in high-visibility areas such as hallways, libraries, classrooms, notice boards, and corridors. This initiative was aimed at enhancing awareness among students about the respective topics mentioned in the forwarded email.

The activity was successfully completed, ensuring that all common areas were utilized for maximum visibility. This effort aligns with the university's commitment to fostering informed and aware students.

Details:

Date of Display: 23 December, 2024

Locations Covered: Hallways, classrooms, libraries, notice boards, corridors

Objective: Enhancing awareness among students through informative and creative displays.

We express our gratitude to Prof. Manpreet Kaur Kang, Director, Students' Welfare, for her guidance and support in this initiative.
