

## Report on Holi Celebration Activity

22<sup>nd</sup> March, 2024

The Institute of Vocational Studies celebrated Holi with the theme “**Play it Dry**”. The festival of colors was celebrated with immense joy and enthusiasm among students and faculty members. The festival marks the arrival of spring and the victory of good over evil. It is celebrated with vibrant colors, music, and traditional sweets. People from all walks of life came together to smear each other with bright colors, symbolizing the triumph of good over evil and the onset of spring. Water guns, balloons filled with colored water, and powdered colors filled the air, creating a mesmerizing spectacle. Holi transcended barriers of caste, creed, and religion as people from diverse backgrounds joined in the celebrations. To bring fun and enjoyment from daily routine academics of the premises, IVS celebrated the colorful arrival of the spring season- **HOLI CELEBRATION** on 22<sup>nd</sup> March, 2024. In line with growing environmental awareness, many students opted for eco-friendly colors made from natural ingredients like turmeric, beetroot, and spinach, promoting a sustainable approach to celebrations and beautiful rangoli was made by the students. **Dr. Mandira Gupta, Principal of IVS, forwarded her wishes to all teachers and students to enjoy and celebrate Holi with peace and harmony.** On the same day, World water Day was celebrated. The theme of World Water Day 2024 was ‘Water for Peace’. On this special occasion, students were suggested to celebrate **Dry Holi, save water and realize that water is not only a resource to be used and competed over – it is a human right, intrinsic to every aspect of life.**
