

BORDER MAKING ACTIVITY [7-10-22]

Institute of Vocational Studies had organized a Border Making Activity by the students of IVS on 7th October, 2022.

With a wide variety of borders, the students demonstrated their artistic abilities. The activity was actively engaged in by every member of the group. The development of eye-hand coordination and the encouragement to let their imaginations flourish were both aided by this activity for students. Everyone in the class had a good time during the following exercise.

Below is the glimpse of the activity: -
