

CELEBRATION OF CHILDREN'S DAY

14 November 2022

"Every child is a different kind of flower, and all together, make this world a beautiful garden"

November 14 is observed as Children's Day or Bal Diwas every year in India. This amazing day is celebrated in remembrance Of India's first Prime Minister Jawahar Lal Nehru. Nehru was very popular amongst children for his love. November 14 marks Nehru's commitment to welfare, education and the development of children and youthful people.

To make this event memorable for our students, the Institute of vocational studies, celebrated Children's Day on 14 November 2022 on the college premises. The day focused on children and their enjoyment. In order to fulfil the objective, many activities had been organised for the event. For Example, Group singing, Poem recitation, solo singing, sharing childhood memories, speech and various games like tongue twister etc. A huge number of students participated in the event and made it a successful event.

It was a great opportunity to watch these efficient minds creating and depicting creative messages through singing, poem recitation & speeches. All the students participated in the activity with great zeal and enthusiasm.

The IVS Principal, Dr. Mandira Gupta and all the faculty members of IVS appreciated all the participated students for their hard work and dedication. The students thoroughly enjoyed the event.
