The students of B.Ed. and D.El.Ed Celebrated and participated in Van Mahotsav, with a lot of zeal and Happiness.

The events which were organised are –

**Slogan Writing**

**Leaf Printing**

**PowerPoint Presentation on situation of forest.**

**Tree Plantation**

**Extempore**

Students were supposed to write an attractive, **original slogan** on any type of paper and colours and show their creativity and devotion to the mother nature, they wrote slogans about tree plantation and Van Mahotsav.

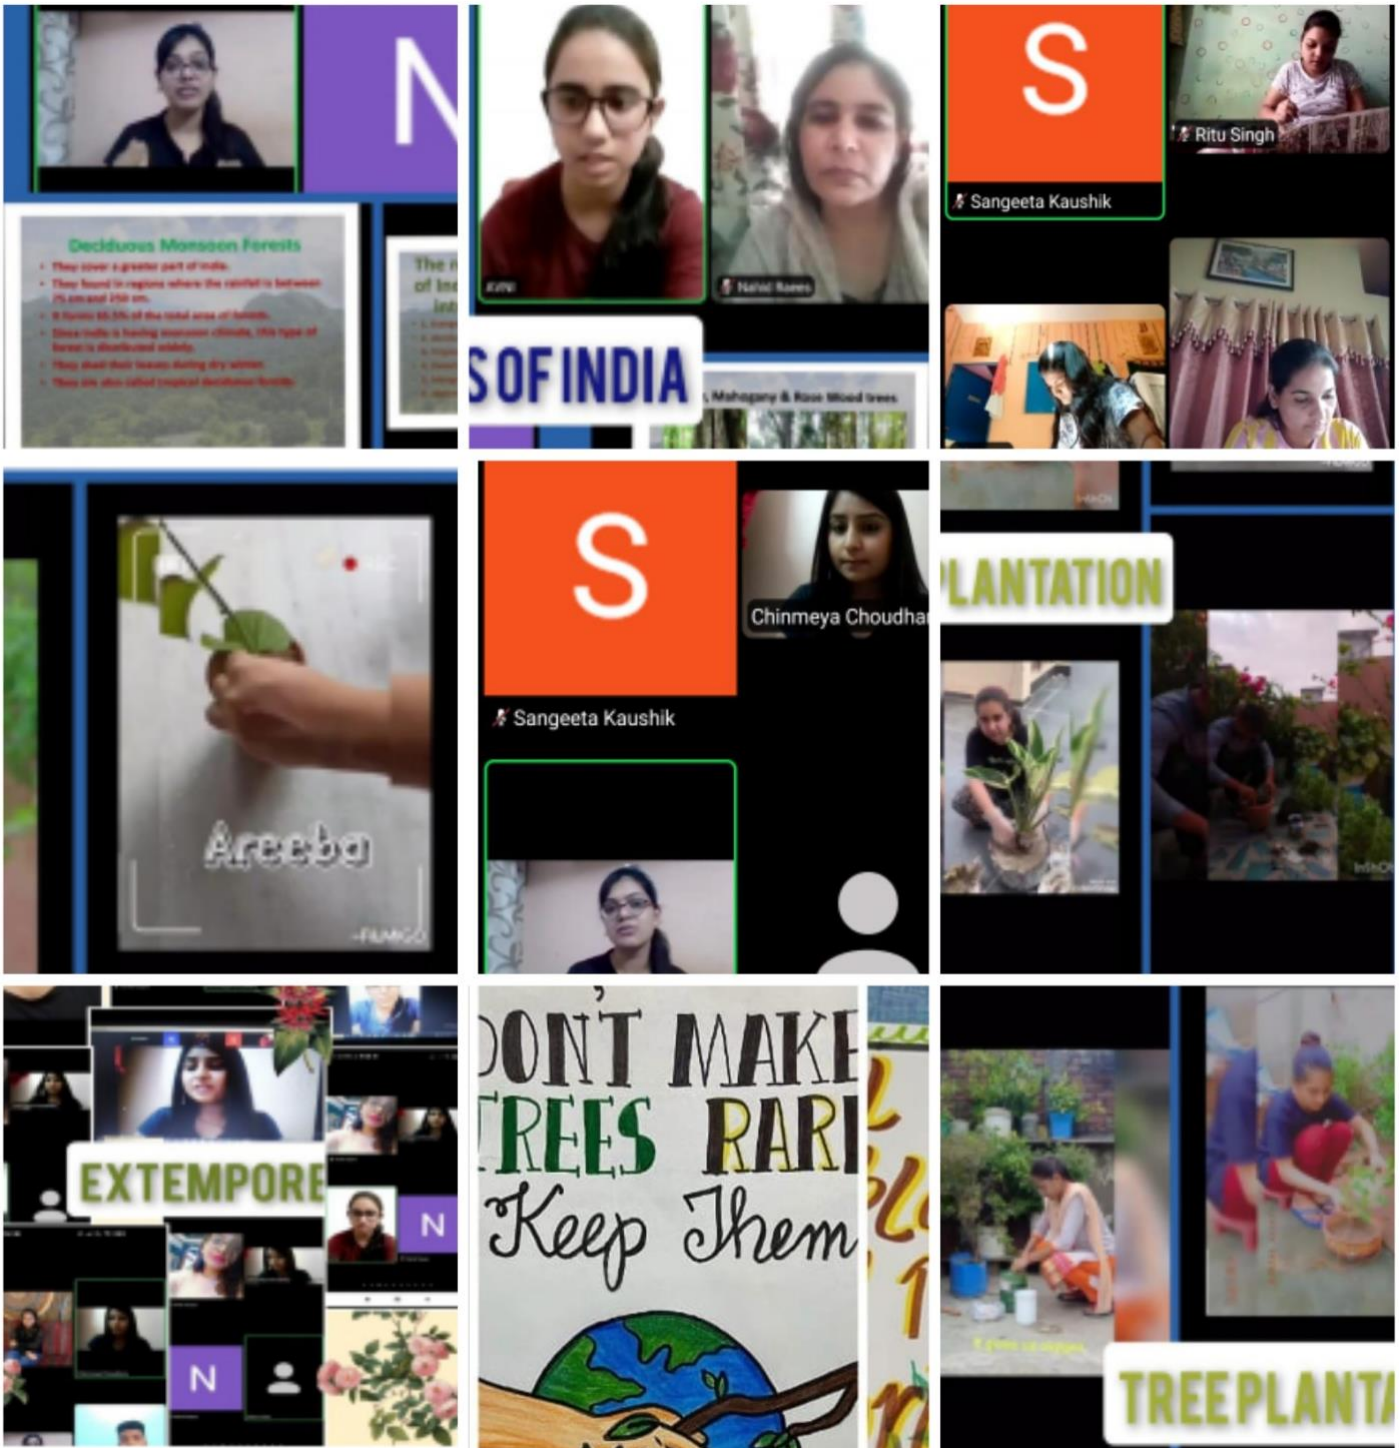

Students Were supposed to **paint and stamp** the impressions of different leaves That fall on the ground naturally, they painted various shapes and made beautiful designs With various leaves.

Students were Supposed to prepare a **PowerPoint presentation on the forests of India**, their situation and importance. Many students participated and also helped us understand the importance of trees and why we Should plant trees and make a change.

Students were supposed to prepare a **Video and plant trees**, present it and speak about their plants and Views on Van Mahotsav, tree plantation, importance.

Students were given **topics on the Spot** that were related to Van Mahotsav, environment, trees, and they Presented their views very well. They were given a total time of 2 Minutes to speak. Many students participated in the activity and Made everyone aware of various topics and situations. They also Helped us understand the importance of trees and why we should Plant trees and make a change.

Below is the glimpse in the form of Collage:
