The programme was conducted under the guidance of our respected Principal Ma'am Dr. Mandira Gupta and the activity was planned and organized by MS Sangeeta Kaushik. The celebration began by poem recitation followed by singing. There was also a debate on topic "Reservation for women is good or bad". Many students shared their views. Beautiful dance performances were given by students with their full enthusiasm. Overall celebration conveyed an inspiring message to the women of this generation to be women of courage, compassion and care at the same time not forgetting to be a self reliant and an independent woman.
