**About Awadh Centre of Education:** COMM-IT Career Academy and Institute of Vocational Studies are academic units of **Awadh Centre of Education** (<http://www.awadh.org.in>) under Awadh Public Charitable Trust (APCT), New Delhi, India, established in the year 2000 with the prime objective to provide a platform for quality education and for the promotion of Minority Community and weaker sections of the Society. Both institutes are approved by the Directorate of Higher Education of Govt. of NCT of Delhi, India under the affiliation of Guru Gobind Singh Indraprastha Universities of Delhi, India. Institute of Vocational Studies is also approved by NCTE (National Council of Teacher Education, Ministry of HRD, Govt. of India) and Nationally Accredited with "A" Grade by NAAC (National Assessment Accreditation Council, Govt. of India). Institute has taken an initiative for publication of International Journal in the year 2012.

**Aims and Scopes:** The **Awadh International Journal of Information Technology and Education (AIJITE)** of Scientific Research is a yearly, peer-reviewed international research journal that addresses both applied and theoretical issues. It is a rapid and high-quality international forum wherein academics, researchers and practitioners may publish their high-quality, original, and state-of-the-art papers describing any field of Information Technology and Education.

The aim and scope of the journal is to provide an academic medium and an important reference for the advancement and dissemination of research results that support high-level learning, teaching and research in the fields of Information Technology and Education. Original theoretical work and application-based studies, which contributes to a better understanding of Information Technology and Education philosopher challenges, are encouraged. Moreover it creates a communal space in which to incite productive dialogue revealing the potential of the arts within education through all forms of inquiry.

The journal publishes articles reporting substantive results on a wide range of Information Technology and Education approaches applied to variety of domain problems, including but not limited to:

A. Information Technology	B. Education

- Principle of Concurrency
- Software Life-cycle Management
- Social Network Mining
- Embedded Systems
- Pattern Recognition
- Signal Processing
- Bayesian Statistics
- Adaptive Control
- Sequential Decision Theory Digital Forensics

**Journal Policy:** Awadh International Journal of Information Technology and Education (AIJITE) publish articles / paper that emphasize research, development and application within the fields of Information Technology and Education. All manuscripts are pre-reviewed by the editor, and if appropriate, sent for blind peer review. Contributions must be original, not previously or simultaneously published elsewhere, and are critically reviewed before they are published. Papers, which must be written in English, should have sound grammar and proper terminologies.

### Important Dates

<b>Last for Manuscript Submission</b>	<b>January 10,2012</b>
<b>Acceptance Notification</b>	<b>February 15,2012</b>
<b>Camera Ready Submission</b>	<b>March 01, 2012</b>
<b>Release of Publication</b>	<b>March 15, 2012</b>

### Paper Submission

**A. Submission of Paper:** Authors are cordially invited to submit papers to the upcoming March 2012 Edition. The manuscript / paper can be submitted via email to [journal@awadh.org.in](mailto:journal@awadh.org.in). The email must bear the subject line "Paper Submission". If you face problems with paper submission, please feel free to contact the Editor in Chief at [arindam.ray@awadh.org.in](mailto:arindam.ray@awadh.org.in). A maximum of **8 pages** are allowed for any paper / manuscript. Manuscripts submitted to this journal will be deemed as they have not been published and are not under consideration for publication elsewhere.

**B. Template of Paper:** Publication of any articles / manuscript in Awadh International Journal of Information Technology and Education (AIJITE) requires strict conformance to the paper template. However, initial submission of an article or manuscript for review need not be compliant with the template.

Once the paper is selected, the authors will be asked to submit the camera-ready paper. The camera-ready paper is the final version of the article / manuscript that will be published in the Awadh International Journal of Information Technology and Education (AIJITE) online. While submitting the camera-ready, the authors must take extreme care so that the paper strictly conforms to the prescribed template of International Journal of Computer Applications. The template of the paper can be downloaded from our website

**C. Registration Fee:** A token amount has been charged for publication.

Registration with Publication Fee	\$50 USD / ₹2500
Each additional page	\$10 USD / ₹500

**D. Copyright Transfer:** Along with the final submission of manuscript, you have to submit the Copyright transfer form (download - print - fill – sign - scan) send to the Editor-in-Chief.
