

REPORT- AWARENESS PROGRAM ON DRUG PREVENTION

5th March 2024

Institute of Vocational Studies in collaboration with Indian Red Cross Society, Delhi Branch, organized an **Awareness program on drug prevention** for the students on the 5th March 2024, under the guidance of our Director Mr. Khalid Hashmi and our Principal ma'am, Dr. Mandira Gupta. The program was coordinated by Ms. Nazia Hassan. The program aimed at informing the students about the potential risks associated with drug usage and the value of prevention.

The resource person for the program was Ms. Meenu Salhotra, who is deaddiction counselor at Indian Red Cross society. She gave a noteworthy presentation that was the highlight of the program. The lecture by Ms. Meenu was enhanced with an educational film related to the usage of drugs by people and situations one should avoid and prevent. In addition to offering insightful information, the film successfully engaged the audience, enhancing the educational process.

During the whole presentation and event, attendees were fully engaged and acquired significant knowledge regarding drug avoidance. The program's educational content and Ms. Meenu's experience had a lasting impression on the participants, giving them the knowledge they needed to successfully tackle the problem of drug usage.

The event acted as a reminder of the Institute of Vocational Studies' mission to develop responsible citizens who are aware of social concerns and its commitment to comprehensive education. In addition to aiding in students' personal growth, these programs are essential in building a safer and healthier neighborhood.
