

REPORT OF STUDENT SEMINAR ON

School Education in India: Opportunities, Issues & Challenges

04th October, 2019

Institute of Vocational Studies organized a one day Student Seminar on the theme “**School Education in India: Opportunities, Issues & Challenges**” on 4th October, 2019 in Awadh Auditorium. The main objective of the seminar was to promote quality education. Theoretical and research papers were invited from Students, Pupil Teachers, Research Scholars of various Universities and Affiliated Colleges. The Sub-themes of the seminar included:

- i. Role of Different Agencies (NCERT, SCERT, CBSE etc.)
- ii. Issues & Challenges in School Education
- iii. Technological Dimensions- Methods, Strategies, Tools & Techniques in School Teaching
- iv. Theoretical Education Vs Practical Education
- v. Indian School System in Comparison to School Systems in Different Countries
- vi. Problems in Universalisation of Elementary Education
- vii. Role of Digitalization in School Education
- viii. RTE (Success & Implementation)
- ix. Impact of No Detention Policy on Quality of Education
- x. Student Teachers Ratio in Indian Schools: An Analysis
- xi. Mid day Meal Scheme: Issues, Challenges & Success
- xii. Any other related topic

The registration for the students from Institute of Vocational Studies as well as from other Universities and Colleges was free. The seminar started with Quranic verses recitation by students of IVS. Goddess of knowledge was invoked by Saraswati Vandana. The students were encouraged by motivating words and blessings of Principal, Dr. Mandira Gupta. A total number of 53 papers were presented in 04 sessions. Out of these 20 papers were from other Universities and Colleges i.e. DU, JMI, Al-Falah University, NIEPA, IASE, BLMCE, GNCE, AIE etc. and the remaining 33 papers were from students of B.Ed. and D.El.Ed. studying in Institute of Vocational Studies. The sessions were chaired by faculty member of IVS. This seminar provided a chance to the students for sharing their knowledge and views about various themes on education. The chairperson of each session provided a concluding remark about various papers presented. The students were encouraged for more such presentations; their papers were discussed thoroughly with genuine feedback so that they can use it in most constructive manner. The seminar was concluded by a group photograph of the participants with Principal, Dr. Mandira Gupta and all the faculty members.
