

CV Construction Workshop

(17th February, 2022)

CV summarizes our various professional and personal traits to the interview panel. With an aim of supporting placement in reputed schools and orienting its future teachers with technicalities of CV construction, Institute of Vocational Studies organized a workshop on CV Construction on Thursday, 17th February, 2022 from 1:30 pm onwards.

Students of B.Ed. and D.EL.ED. participated with high enthusiasm under the guidance of respected Dr. Mandira Gupta, Principal, IVS. The workshop was organized by Dr. Fozia Roohi and hosted by Ms. Samiksha Mishra. The workshop was chaired by Prof. (Dr.) Ilyas Husain, Director, Awadh Centre of Education, Mr. Mohd. Faizan, Co-founder Mpowerurge, Mr. Farrukh Nadeem, Director, Software Engineering, MNC and Mr. Shiv Das associated with United Health Group, MNC.

The session started with inspirational speeches of Prof. (Dr.) Ilyas Husain, Director, ACE followed by Dr. Mandira Gupta, Principal, IVS. The Key Speakers presented the qualities of a poor and good CV through PowerPoint Presentation and highly interactive session with students as it included real life experiences of speakers and students too. The workshop highlighted many technical aspects of CV construction like difference between a CV and Resume, writing aim, personal information, sequence and mentioning only true information etc. With the help of live examples, speakers also clarified the doubts of students regarding CV construction and interview facing too. The workshop was significantly informative and provided the students great opportunity to learn.

Below are the glimpses of the event in the form of collage:
