The development of community, society, nation and universe is dependent on educational system. As teachers are the frontline providers of quality education. Sufficient supply of well qualified and well-trained teachers is the most important, contributing factor of quality of learning. Every year The Ministry of Education, Government of India conductsthe Central Teacher Eligibility Test for the appointment of teachers. With that in mind, the INSTITUTE OF VOCATIONALSTUDIESorganizedaCTET:TIPSANDTRICKSworkshopON22NDOCTOBER2021 for the students of D.El.Ed or B.Ed. in collaboration with MPowerUrge with Shubh Study to orient the students with technicalities of CTET. The workshop was coordinated by Dr. Fozia Roohi under the esteemed guidance of our Principal Mam Dr. Mandira Gupta Our in IVS auditorium by following all safety and precautions ofCOVID-19.

The objective of this workshop was to orient the students with the CTET exam, its preparation as well as managing their schedule for the CTET exam. All students of D.El.Ed or B.Ed. actively participated in this workshop and enthusiastically raised their queries.

First session of the workshop emphasized the five major steps i.e. – REQUIRED INFORMATION, REQUIRED RESOURCES, PLANNING, EXECUTION and the TIME MANAGEMENT as well as the 4D'S that is DO, DIFFER, DELIGATE and DENY. The second session was discussion session providing all the necessary details, eligibility conditions, validity of the CTET exam etc. They, furthermore, explained the exam pattern and discussed about the subjects which are of prime importance. In third segment, the tips were given to crack this exam like: clear understanding and reflective thinking.

Lastly, an open questioning session was held to resolve all the queries in the minds of students. The whole workshop was very interactive. Students gained a lot from this session. We wish for conducting such an enriching and professional development workshop in future also.
