students also got to know that ragging and sexual harassment are not only illegal offences, but also effect the psyche of an individual in the long term.

It was a very fruitful and informative session for the students as well as for the faculty members, where they got to know the real meaning of ragging and sexual harassment.

The session concluded with a question- answer round and vote of thanks. The students were affirmed with a vision that more such sessions and workshops would be conducted in the future.
