About IVS
Institute of Vocational Studies is engaged in imparting professional teacher education and training programmes. Our institute is active centre for preparing teachers for 21st century who are dynamic and progressive in their approach. Our main aim is to prepare more Humane Teachers which is need of the hour for which we are continuously engaged in research activities for solving the educational problems and dilemmas faced by teachers and teacher educators from time to time. Thus faculty development programme is an integral part towards attainment of Institute's vision.

About the Programme
Education is a light that show mankind the right direction. The traditional 'chalk and talk' method of teaching is revolutionized with modern, innovative teaching methods. The programme will facilitate the attendees to get engaged and improve their teaching skills to meet the ever changing dynamics in the academic world. The programme intends to instill skills within the faculty members which will foster independent thinking and creativity through experimental/pedagogical activities. The FDP also aims to buildup the quality of course delivery of participants through pedagogical enhancements to create interest and motivation among students.

Programme Objectives
- To develop and use more innovative teaching techniques.
