TEACHERS’ DAY CELEBRATION

A teacher is a friend, philosopher, and guide who holds our hand, opens our mind, and touches our heart. The contribution of a teacher cannot be ignored at all. In many countries across the world, teacher's day is a special day where teachers of schools, colleges, and universities are honored specially. In India, this day is celebrated on every 5th of September, on the birthday of Dr. Sarvepalli Radhakrishnan.

This day at IVC was celebrated with great zeal and enthusiasm, result of which were no. of co-curricular activities hosted by students for their beautiful teachers. The main objective of this whole celebration was to show the teachers how much loved and respected they are for the service they do to their students.
