REPORT ON NATIONAL EDUCATION DAY
Organized by GGSIP University on 11th November, 2019

An Exhibition on National Education Day addressing the theme, Millennium Development Goals 2030: Role of Education in Universities was organized by University School of Education, GGSIPU, Dwarka, New Delhi on 11th November, 2019. All the different affiliated colleges were invited by the University to showcase their charts, posters & models on the above mentioned theme. Amongst the faculties Dr. Mandira Gupta (Principal, IVS), Ms. Eram Aziz, Dr. Gulshan Mufeed & Mr. Pawan Kr. Mishra attended the exhibition. The students of IVS B.Ed. programme were amongst the few whose models were appreciated and selected by the University to be displayed in front of the Hon. Chief Guest Shri Manish Sisodiya, Deputy Chief Minister & Education Minister, Govt. of NCT, Delhi. Also the very creative and talented students of IVS came up with their posters and charts which were selected for representation in the University for the Exhibition. The National Education Day and Foundation Day Celebration was a grand ceremony and was addressed by Academicians, Educationist of great repute namely, Prof. Dhananjay Joshi, Dean, USE, GGSIPU, Padma Shri (Dr.) Mahesh Verma, VC, GGSIPU, Chief Guest Manish Sisodhiya, Guest of Honour Prof. K.K. Aggarwal, Prof. M.A. Siddiqui and Shri Ravi Dadhich. It provided a platform to the students to present their work and gain recognition. It was also a learning experience for them to get familiar with the Millennium Development Goals and interact with other colleges to get an insight on the role of education in changing the education landscape. Overall it was a very fruitful experience for both the students and teachers.
